MAPS

A set of precinct maps is located on our public counter. If you wish to purchase these maps, call our Map Unit at (714) 567-7586.

REGISTRATION FORMS

For candidates and committees wishing to conduct registration drives to register voters, registration forms are available at the Registrar of Voters' office from the Voter Registration Specialist. You may obtain the quantity of registration forms you deem necessary, upon availability. You will be asked to complete a Statement of Distribution form at the time the forms are issued to you. For further information, please call (714) 567-7569.

COMPUTER PRODUCTS

Registered Voter File: Candidates may purchase the registered voter file on CD-ROM. The file is in alphabetical sequence and can be ordered with the names of all voters in Orange County or just the voters in a particular city or district. Call (714) 567-7615 for more information or go to ocvote.com to make a purchase online. Click on "Data Central" under the "Research" column on a menu at the bottom of the page; then click on "Data" at the top of the page and click on "Order Voter Registration Data". The Registrar of Voters' office does not provide technical support.

INDICES (WALKING LISTS): All candidates are entitled to purchase indexes. These are printed lists of registered voters by precinct, listed by address with the street names arranged alphabetically and street numbers in numerical order for a given street name.

Each candidate may purchase up to two copies (sets) of indexes for his/her own use or the use of his/her committee. These may be a complete set, including all precincts within the district in which the candidate is running, or a partial set, including some of the precincts in the district. Indexes sell for 50 cents per thousand names or portion thereof. Indexes may be ordered by filling out the proper form at the Registrar of Voters' office or by writing a letter to the Registrar of Voters' office requesting indexes for a certain district. The cost of the product is payable in advance at the time the product is requested. For further information, please call (714) 567-7615.

The candidate must fill out a written request form containing a signed declaration that the data purchased will be used only for election purposes.

Products are usually available within 3-4 days of placing the order (depending on job scheduling). For further information, please call (714) 567-7615.

VOTE-BY-MAIL BALLOT APPLICATIONS

The Secretary of State shall prepare and distribute to appropriate elections officials a uniform application format for a vote-by-mail voter's ballot which conforms to the requirements of section 3006. All individuals, organizations and groups who distribute applications for a vote-by-mail voter's ballot shall follow this format. **§ 3007**

If you choose to distribute applications for vote-by-mail ballots, you will be asked to complete a Statement of Distribution Plans before receiving a camera-ready copy of the application. You will be given a list of the application requirements and the Elections Code sections covering penal provisions.
