

Purposeful, practical  
help for those in need.

- ❖ Beach Cities Interfaith Services is a nonprofit service organization of a diverse spectrum of faith-based groups that coordinates financial and human resources to help people in need or transition.

Beach Cities  
Interfaith Services

The image shows the exterior wall of a building with vertical brown siding. Large white letters spell out "Beach Cities Interfaith Services" and smaller gold letters below it spell out "CAROL SNEARY CENTER". A white sign with a red header "ATTENTION" is posted on the wall, warning that the space beneath the building cannot be enclosed due to the potential for methane gas build up. The building is supported by several metal brackets on a concrete base.
