B-1. CONDITIONAL USE PERMIT NO. 14-032 (U.S. TACO ALCOHOL) Applicant: U.S. Taco Co., LLC Property Owner: Lori Eckman, CIM/Huntington, LLC Request: To permit alcohol (beer and wine) at an existing eating and drinking establishment with outdoor dining. STAFF RECOMMENDATION: Motion to: "Approve Conditional Use Permit No. 14-032 with findings and suggested conditions of approval (Attachment No. 1)."

The Commission made the following disclosures:

- Vice-Chair Pinchiff has visited the site, spoken to staff, spoken to the applicant, and voted on the original conditional use permit for the project at a previous Planning Commission hearing.

- Commissioner Mandic has visited the site and spoken to staff.

Ethan Edwards, Associate Planner, gave the staff presentation and an overview of the project.

THE PUBLIC HEARING WAS OPENED.

Susan Welfringer, Huntington Beach Downtown Business Improvement District, spoke in support of Item No. B-1, and thanked U. S. Taco for bringing their business to The Strand.

Dianne Thompson, Chamber of Commerce, spoke in support of Item No. B-1, citing the benefits of the restaurant to the community.

Jerry Wheeler, Chamber of Commerce, spoke in support of Item No. B-1, citing the benefit to The Strand and the community.

Jeff Jenkins, applicant, spoke in support of Item No. B-1, stating that U.S. Taco is very excited to be part of the community. He noted that the alcohol beverage training for staff would go above what was required and that there is no intention to change the restaurant into a bar.

WITH NO ONE ELSE PRESENT TO SPEAK, THE PUBLIC HEARING WAS CLOSED.

There was a discussion regarding the Police Department condition requiring alcoholic beverages only be served in conjunction with food.

There was a brief discussion regarding the retention of surveillance tapes. Police Captain Bill Stuart indicated that Entertainment Permits require a thirty day retention period.

There was a brief discussion regarding conditional use permits going with the land and not the business and Commissioner Brenden asked the City Attorney's office to look into how other cities regulate their alcohol serving businesses.

Chair Kalmick indicated that he would not be able to support this request due to the proximity to residential uses and because the conditional use permit runs with the land, he would have concerns with a future user at the site.

A MOTION WAS MADE BY PINCHIFF, SECONDED BY MANDIC, TO APPROVE CONDITIONAL USE PERMIT NO. 14-032 WITH FINDINGS AND MODIFIED CONDITIONS OF APPROVAL TO REQUIRE THAT SURVEILLANCE TAPES HAVE A THIRY DAY RETENTION PERIOD, BY THE FOLLOWING VOTE:

FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Planning Commission finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301, Class 1, of the CEQA Guidelines, which states that operation and minor alteration to existing structures involving negligible or no expansion are exempt from further environmental review.

FINDINGS FOR APPROVAL - CONDITIONAL USE PERMIT NO. 14-032:

1. Conditional Use Permit No. 14-032 to permit the sales and service of alcohol (beer and wine) in conjunction with an existing 1,604 sq. ft. restaurant and 400 sq. ft. outdoor dining area, located within The Strand development, will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the downtown area. The proposed sales and service of alcohol, as conditioned, will not generate noise, traffic, demand for parking or other impacts above that which currently exists or be inconsistent with the subject property's zoning. In addition, the project will comply with City Council Resolution No. 2013-24, standard conditions for approval designed for eating and drinking establishments with alcoholic beverage sales.
2. The proposed sales and service of alcohol (beer and wine) in conjunction with an existing 1,604 sq. ft. restaurant and 400 sq. ft. outdoor dining area will be compatible with surrounding uses because it is proposed in a Specific Plan area designated for mixed-use pedestrian-oriented development. The restaurant is surrounded by commercial, office, and restaurant uses and therefore will be consistent with the existing land use pattern and compatible to its surroundings. The use will be required to comply with conditions of approval pertaining to alcohol service and hours of operation, including the outdoor dining area, to assure that any potential impacts to the surrounding properties are minimized. Additionally, the use is subject to noise regulations to further ensure compatibility with surrounding properties.
3. The proposed sales and service of alcohol (beer and wine) in conjunction with an existing 1,604 sq. ft. restaurant and 400 sq. ft. outdoor dining area will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance and any specific condition required for the proposed use in the district in which it will be located. The proposed project as conditioned complies with the base district and other applicable provisions. There is no physical expansion of the approved development proposed as part of the request and the use will comply with all building occupancy/exiting requirements.

4. The granting of the conditional use permit will not adversely affect the General Plan. The project is consistent with the Land Use Element designation of Mixed Use Vertical on the subject property including the following policies and objectives identified in the General Plan:

A. Land Use Element

Policy LU 7.1.1 Accommodate existing uses and new development in accordance with the Land Use and Density Schedules.

Objective LU 7.1 Accommodate the development of a balance of land uses that (a) provides for the housing, commercial, employment, cultural, entertainment, and recreation needs of existing and future residents, (b) provides employment opportunities for residents of the City and surrounding sub-region, (c) captures visitor and tourist activity, and (d) provides open space and aesthetic relief from urban development.

Goal LU 11 Achieve the development of projects that enable residents to live in proximity to their jobs, commercial services, and entertainment, and reduce the need for automobile use.

Policy LU 15.2.2 Require that uses in the Pedestrian Overlay District be sited and designed to enhance pedestrian activity along the sidewalks. Create visual differentiation of upper and lower floors and distinct treatment of building entrances and use of pedestrian oriented signage.

The proposed use will complement an existing restaurant within the Downtown Core District that is consistent with the Land Use Density Schedules for The Strand development and is compatible with surrounding mix of uses. The economic viability of the existing restaurant is increased by offering the sales and service of alcoholic beverages to accommodate the entertainment and recreation needs of residents and visitors. The expansion of services captures and enhances visitor and tourist activity within the downtown and is within walking distance of several downtown-parking facilities as well as residential uses, thus reducing the need for vehicular travel.

B. Coastal Element

Policy C 1 Develop a land use plan for the Coastal Zone that protects and enhances coastal resources, promotes public access and balances development with facility needs.

Policy C 3.2.3 Encourage the provision of a variety of visitor-serving commercial establishments within the Coastal Zone, including but not limited to, shops, restaurants, hotels and motels, and day spas.

The proposed use will promote an existing commercial establishment in the Downtown and will expand the available visitor-serving commercial uses within the Coastal Zone.

FINDINGS FOR APPROVAL - ZONING TEXT AMENDMENT NO. 15-001:

1. Zoning Text Amendment No. 15-001 amends Chapter 233 Signs of the Huntington Beach Zoning and Subdivision Ordinance to define non-commercial signs, add provisions for permitting non-commercial signs on private property and within public rights-of-way, deletes references to political signs and ensures that the City’s sign code conforms to recent State and federal court cases related to the posting of signs on private property. ZTA No. 15-001 is consistent with the goals, policies and objectives specified in the General Plan and would

ensure the consistent application of regulations for all types of non-commercial signs on private property as well as within public rights-of-way

2. In the case of the general land use provisions, the amendments proposed are compatible with the uses authorized in, and the standards prescribed for the Zoning districts for which they are proposed. The changes do not affect zoning of any property by altering allowed land use or the development standards thereof.
3. A community need is demonstrated for the proposed amendment to ensure that the City's sign code conforms to recent cases in the State and federal courts that focus on content neutrality and time restrictions for the posting of signs on private property.

Adoption of ZTA No. 15-001 will be in conformity with public convenience, general welfare and good zoning practice because the amendments will conform to the General Plan Urban Design Element, State and federal court cases and provide clear standards for implementing provisions for allowing non-commercial signs on private property and within public rights-of-way..
