WHAT YOU NEED TO KNOW

Human Resources would like to take this opportunity to give you important information about the benefits being offered by the City of Huntington Beach for the 2013 calendar year. The California Public Employees Retirement System (CalPERS) has mailed Open Enrollment packets that include a personalized Health Plan Statement, an Open Enrollment newsletter and information on how to request additional information. It is important that you use the following information to educate yourself about the open enrollment process, timeline and changes.

What can I do at this year's Open Enrollment?

City of Huntington Beach benefit-eligible employees can:

- Enroll/make changes to **Medical, Dental, Vision, Voluntary Life (with evidence of insurability) and Accidental Death & Dismemberment (AD&D) Plans**
- Add or delete dependents in the City's Medical, Dental, Vision, Voluntary Life and AD&D plans
- Switch to a different Medical or Dental plan
- Participate in and determine the amount for flexible spending accounts
- Change your life insurance beneficiary

What do I have to do if I am NOT making changes?

- Even if you are not making any changes, you need to indicate "no changes" on your Confirmation Statement for 2013 and verify the accuracy of personal data, especially social security numbers for dependents. **Also, if you are interested in establishing a 2013 flexible spending account, you must enroll/re-enroll.** Complete a TRI-AD enrollment form and return to Human Resources/Employee Benefits by 5:00 p.m., Wednesday, October 31, 2012 for your 2013 plan year election(s).

You can obtain Flexible Spending Account, Supplemental Life and AD&D Insurance forms and beneficiary designations through SurfNet or at www.huntingtonbeachca.gov/employee_benefits. **All changes must be received by Human Resources no later than 5:00 p.m. on Wednesday, October 31, 2012.**
- For any changes to CalPERS medical elections, you must submit them directly to CalPERS on the HBD12 form which is available at www.calpers.ca.gov. **Note: Open enrollment for CalPERS is September 10, 2012 through October 5, 2012 ONLY.**

WHAT YOU NEED TO KNOW (Cont'd)

What if I want to make changes throughout the year?

- You can only make changes outside of Open Enrollment if you have a Qualifying Event.
To add dependents you have **31 days** from the Qualifying Event to submit an "Add Dependent" form to Human Resources. The Qualifying Event could be marriage, birth, adoption, a dependent becoming eligible, spouse losing coverage, etc.
- You are required to submit a "Delete Dependent" form to Human Resources within 60 days of a dependent becoming ineligible such as divorce, an overage dependent no longer eligible, etc. **Failure to do so can jeopardize your COBRA rights.**
- The above-mentioned forms are available on SurfNet/Human Resources/Employee Benefits and on the Lower Level of City Hall on the Employee Benefits Information Wall Display.

WHAT WILL HAPPEN ON JANUARY 1, 2013

What will be the same on January 1, 2013?

- Benefit Carriers for Medical, Dental, Vision, EAP and FSA will remain the same.

What will change on January 1, 2013?

- Employee contributions will change.
- Cigna will replace The Standard as the Basic Life/AD&D, Supplemental Life/AD&D and Long Term Disability carrier.
- The Definition of Dependent will be extended up to the end of the month in which they turn age 26 regardless of financial dependence, residency, student or marital status for Dental DPO, Dental HMO and Vision.
- The maximum Flexible Spending Account (FSA) contribution for health care will decrease from \$5,000 to \$2,500 per employee in compliance with the Health Care Reform Act.
- **Rate sheets will be posted on SurfNet/Human Resources/Employee Benefits/2013 Health Premiums and Contributions.**

ELIGIBILITY

You are eligible for the *City of Huntington Beach's Medical Program* if you are a permanent employee working 20 or more hours per week. Your effective date is the first day of the month following your date of hire.

After your initial benefit enrollment, you cannot make changes in your elections or terminate coverage until the next Open Enrollment period, unless you qualify for a "special enrollment." Please refer to the "Rules For Benefit Changes During The Year" section on the next page for special enrollment qualifications. To terminate coverage, you must contact Human Resources/Employee Benefits.

Dependent Eligibility

- Your legal spouse
- Your registered domestic partner
- Your natural children, stepchildren, and/or adopted children of which the employee is the legal guardian, legally placed with the employee or eligible domestic partner for adoption, or supported pursuant to a court order imposed on the employee or eligible domestic partner (including a qualified medical child support order). In addition:
 - ⇒ For Medical/Dental/Vision Insurance: Dependents are eligible up to the end of the month in which they turn age 26
- Your eligible physically or mentally handicapped children who depend on you for support, regardless of age.

Your dependent's effective date is on the latest of 1) your effective date, or 2) the first of the month following the date you acquire your dependent.

Adding and Excluding Dependents

Newly acquired dependents may be added to the plan during the year by completing the necessary forms within **31 days** of their eligibility. If you do not add dependents within the 31-day period and do not qualify for a "special enrollment" (see the next page), they will not be eligible to enroll until the next Open Enrollment period.

RULES FOR BENEFIT CHANGES DURING THE YEAR

Other than during annual open enrollment, you may only make changes to your benefit elections if you experience a qualified status change or qualify for a "special enrollment". If you qualify for a mid-year benefit change, you will be required to submit proof of the change or evidence of prior coverage.

Qualified Status Changes include:

- **Change in legal marital status**, including marriage, divorce, legal separation, annulment, and death of a spouse.
- **Change in number of dependents**, including birth, adoption, placement for adoption, or death of a dependent child.
- **Change in employment status that affects benefit eligibility**, including the start or termination of employment by you, your spouse, or your dependent child.
- **Change in work schedule**, including an increase or decrease in hours of employment by you, your spouse, or your dependent child, including a switch between part-time and full-time employment that affects eligibility for benefits.
- **Change in a child's dependent status**, either newly satisfying the requirements for dependent child status or ceasing to satisfy them.
- **Change in place of residence or worksite**, in which the change affects the accessibility of network providers.
- **Change in your health coverage or your spouse's coverage** attributable to your spouse's employment.
- **Change in an individual's eligibility for Medicare or Medicaid.**
- **A court order** resulting from a divorce, legal separation, annulment, or change in legal custody (including a Qualified Medical Child Support Order) requiring coverage for your child.
- **An event that is a "special enrollment" under the Health Insurance Portability and Accountability Act (HIPAA)** including acquisition of a new dependent by marriage, birth or adoption, or loss of coverage under another health insurance plan.
- **An event that is allowed under the Children's Health Insurance Program Reauthorization Act (CHIPRA).** Under provisions of the Act, employees have 60 days after the following events to request enrollment if:
 - Employee or dependent loses eligibility for Medicaid (known as Medi-Cal in CA) or CHIP (known as Healthy Families in CA).
 - Employee or dependent becomes eligible to participate in a premium assistance program under Medicaid or CHIP.

Two rules apply when making changes to your benefits during the year:

- Any change you make must be consistent with the change in status, AND
- You must make the change within 31 days of the date the event occurs (unless otherwise noted above).

MEDICAL PROGRAM BENEFITS

The *City of Huntington Beach's* goal is to provide you with affordable, quality health care benefits. Our medical benefits are designed to help maintain wellness and protect you and your family from major financial hardship in the event of illness or injury. The City of Huntington Beach offers a choice of medical plans through CalPERS.

- **HMO (Health Maintenance Organization)** - The HMO plans offer comprehensive coverage. Care is provided or coordinated through each member's Primary Care Physician (PCP). **You have a choice between the Blue Shield HMO, Blue Shield NetValue and the Kaiser plan.**
- **PPO (Preferred Provider Organization)** - The PPO plan is designed to provide choice--two levels of service, flexibility and value. Participants have a choice of using Preferred Providers (PPO provider) or going directly to any other physician (non-PPO provider) without a referral. Generally, there are annual deductibles to meet before benefits apply. You are also responsible for a certain percentage of the charges (co-insurance), and the plan pays the balance up to the agreed upon amount. **You have an option between the PERSCare, PERS Choice, PERS Select, and PORAC plans.**
- **Medical Opt-Out Benefit** - Employees who are covered by another group medical program outside of a City sponsored plan or are covered as a dependent under a spouse's or domestic partner's plan through the City and elect to opt out of the medical coverage will receive a cash benefit. See SurfNet for the 2013 rate sheets. **Note: This benefit is included as taxable income.** Proof of outside coverage is required and must be on file in the Human Resources Office.

BASIC LONG-TERM DISABILITY (LTD)

MSMA/FMA: When non-work related illness or injury make it impossible for you to work for an extended period of time, eligible employees' income may be continued under the City of Huntington Beach's **Basic LTD plan**. The City of Huntington Beach pays the entire cost of coverage. Under the plan, if you are disabled for more than 30 days, (60 days for MSMA employees) you could receive a benefit of 67% of your basic monthly pay (up to \$12,500 per month) until you are able to return to work.

POA/PMA/HBFA: The City contributes towards a long-term disability plan provided by the Police Officers' Association and by the Huntington Beach Firefighters Association.

BASIC LIFE AND AD&D

Life insurance provides protection for your beneficiary in the event of your death. All full-time employees automatically receive *Basic Life and Accidental Death & Dismemberment (AD&D) Insurance* coverage. The benefit amount is \$50,000.

SUPPLEMENTAL LIFE AND AD&D

The Voluntary (employee-paid) Life coverage through Cigna Group Insurance allows employees the option to purchase from \$10,000 to \$500,000 in \$10,000 increments. This coverage is also available to spouses and may be purchased even if the employee does not enroll (however, the Spouse amount may not exceed 100% of the employees Basic and Additional Life combined). There is also coverage available for dependent children. If it is your open enrollment period and you did not enroll when you were first eligible, or if you are currently enrolled in supplemental life insurance and you wish to increase your current coverage, you will need to complete and submit an *Evidence of Insurability* form and be approved by underwriting before the policy goes into effect. The effective date of any pending voluntary Life/AD&D elections will be the date your coverage is approved; however, your premium will not begin until the first of the month following the date your coverage is approved.

The Voluntary (employee paid) AD&D coverage allows members the option to purchase \$25,000 or \$50,000 or \$100,000. There is also coverage available for spouses and dependent children, as a percentage of the employee's principal amount.

Please see the summary sheet for more information that is available online on SurfNet or through Human Resources.

FLEXIBLE SPENDING ACCOUNT (FSA)

The Flexible Spending Account (FSA) lets you pay some of your health care and dependent care expenses and reduce your taxable income at the same time. You can set up one FSA for health care expenses and another to pay for the cost of caring for your dependents while you are at work. The FSA allows you to use pre-tax dollars to pay for eligible expenses that are not reimbursed by another medical, dental and/or vision plan or tax credit. Such expenses include medical and dental deductibles, coinsurance, copayments, prescription glasses, contact lenses, LASIK eye surgery, and child/elder care expenses.

When you set up an FSA, you place money in your account through automatic, pre-tax payroll deductions. Then, as you incur eligible health care or dependent care expenses, you are reimbursed tax-free from your account. You pay no federal income taxes, no Social Security taxes, and no state income taxes on the amount of pre-tax dollars you contribute to an FSA or on the reimbursements you receive.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The EAP program (employer-paid) is a service designed to help you manage life's challenges. Everyone needs a helping hand once in a while, and your EAP can provide it. The EAP can refer you to professional counselors and services that can help you resolve emotional, health, family and work issues. The service is available 24 hours a day, 7 days a week. This service provides 5 counseling sessions per member per incident.

REQUIRED FEDERAL NOTICES

THE CHILDREN'S HEALTH INSURANCE PROGRAM REAUTHORIZATION ACT (CHIPRA) OF 2009

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following States, you may be eligible for in assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2012. You should contact your State for further information on eligibility -

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

Your medical benefit plan may impose a preexisting condition exclusion upon enrollees age 19 and older. That means that if you are age 19 or older and have a medical condition before coming to our Plan, you might have to wait a certain period of time before the Plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care, or treatment was recommended or received within the 6 month period. Generally, this 6 month period ends the day before your coverage becomes effective. However, if you were in a waiting period for coverage, the 6 month period ends on the day before the waiting period begins. The preexisting condition exclusion does not apply to pregnancy.

This exclusion may last up to 12 months from your first day of coverage or, if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior "creditable coverage." Most prior health coverage is creditable coverage and can be used to reduce the preexisting condition exclusion if you have not experienced a break in coverage of at least 63 days.

To reduce the exclusion period by your creditable coverage, you should provide the new carrier with a copy of any certificates of creditable coverage (HIPAA Certificates) you have. If you do not have a Certificate, but you do have prior health coverage, you can obtain one from your prior plan or issuer.

Notice of Availability of HIPAA Privacy Notice

The Federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA") requires that we periodically remind you of your right to receive a copy of the HIPAA Privacy Notice. You can request a copy of the Privacy Notice by contacting Human Resources.

THE WOMEN'S HEALTH AND CANCER RIGHTS ACT

The Women's Health and Cancer Rights Act (WHCRA) requires employer groups to notify participants and beneficiaries of the group health plan, of their rights to mastectomy benefits under the plan. Participants and beneficiaries have rights to coverage to be provided in a manner determined in consultation with the attending Physician for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits are subject to the same deductible and co-payments applicable to other medical and surgical benefits provided under this plan. You can contact your health plan's Member Services for more information.

Important Notice from City of Huntington Beach About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Huntington Beach and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered and at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Huntington Beach has determined that the prescription drug coverage offered by the plan is, on average for all plan participants, expected to pay out as much as what standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan and drop your current City of Huntington Beach prescription drug coverage, be aware that you and your dependents will not be able to get this coverage back.

Please contact Medicare for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with City of Huntington Beach and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

My Dental Bills are Painful!

Dental bills can add up very quickly. If you are having dental work that will cost you more than \$200, ask the dentist to get pre-authorization prior to the service. The insurance company will notify you if the procedure will be covered, how much *they* will pay, and how much *you* will be responsible to pay.
