JULY DONATION UPDATE

The Huntington Beach Neighborhood Watch Program (HBNW) **fiscal year** is from July 1 to June 30 each year. We have estimated we will need approximately \$24,300 this year to cover the various HBNW program expenses (and not use all of our reserve) which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, dots, etc. For our 2014/2015 fiscal year we were \$7,309.60 below our goal. The HBNW Board thanks you and our advertisers for your continuous support and generous donations during these difficult times. To help cut down on some of our expenses, we ask that if you are considering receiving the newsletter electronically, please send an e-mail to nberndt@hbpd.org with your name and address as it appears on your mailing label and request you be deleted from the U.S. mail list and added to our electronic mailing list. You will continue to receive the newsletter around the 2nd Thursday of each month. If this will cause a hardship, or you just prefer a hard copy, by all means we will continue to mail it to you. The newsletter contains lots of valuable information in addition to the monthly crime statistics and announcements about Police/Community events as well as ways to deter crime.

From the start of our fiscal year until now, we have received **\$1,047.00 in donations and newsletter advertisements— we have \$23,253.00 to go by June 30, 2016.** An \$8 donation pays for each subscriber's distribution costs; a \$10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a \$25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; **donations are tax deductible.**

We would enjoy hearing any ideas or suggestions you may have; please call 714-536-5933.

**Phone Scams-
How They Hook You**

(from the U.S. Federal Trade Commission- www.consumer.ftc.gov)

Scammers use exaggerated ---or even fake---prizes, products or services as bait. Some may call you, but others will use mail, texts, or ads to get you to call them for more details. Here are a few examples of "offers" you might get:

TRAVEL PACKAGES: "Free" or "low Cost" vacations can end up costing a bundle in hidden costs. Some of these vacations never take place, even after you've paid.

CREDIT AND LOANS: Advance fee loans, payday loans, credit card protections, and offers to lower your credit card interest rates are very popular schemes, especially during a down economy.

SHAM OR EXAGGERATED BUSINESS AND INVESTMENT OPPORTUNITIES: Promoters of these have made millions of dollars. Scammers rely on the fact that business and investing can be complicated and that most people don't research the investment.

CHARITABLE CAUSES: Urgent requests for recent disaster relief efforts are especially common on the phone.

HIGH-STAKES FOREIGN LOTTERIES: These pitches are against the law, which prohibits the cross-border sale or purchase of lottery tickets by phone or mail. What's more, you may never see a ticket.

EXTENDED CAR WARRANTIES: Scammers find out what kind of car you drive, and when you bought it so they can urge you to buy overpriced ---or worthless --- plans.

"FREE" TRIAL OFFERS: Some companies use free trials to sign you up for products---sometimes lots of products---which can cost you lots of money because they bill you every month until you cancel.

OneOC 2015 Presidential Lifetime Achievement Awards Appreciation Luncheon

The President's Council on Service and Civic Participation was established to recognize the valuable contributions volunteers are making in our communities and encourage more people to serve. This year, we will honor Retired and Senior Volunteers with the prestigious "Call to Service Award", which recognizes volunteers who have served 4,000+ hours. The Huntington Beach Police Department is honored to have had Jay Waggoner Recognized for 4,000+ hours of service.

JAY WAGGONER, RSVP

Jay Waggoner joined the Huntington Beach Retired Senior Volunteer Program (RSVP) in 2003. During this time he has developed a reputation of being extremely hard working, helpful, and knowledgeable. His public relations skills are one of his greatest assets which make working with him and being around him a real pleasure.

Jay does not hesitate about taking on new challenges and stepping forward when help is needed. Because of his public relations skills and professional appearance, the Police Department receives many accolades for his dedication, knowledge, and outstanding personality. His warm smile draws people to him.

Jay gives Police Department tours for children, adults, and people with special needs, and assists with Officer Friendly presentations at our local schools. He also works at the Police Department Front Desk, volunteers for Police Department special events, and many other tasks whenever asked. He will often step forward to volunteer for a project when he knows no one else is available to help.

Jay also works in the Detective Bureau, conducts vacation house checks, and helps to review and update the RSVP manual annually. He teaches patrol duties and safety in the RSVP Academy, and is an RSVP trainer for our new candidates.

Jay has a very good attitude, is willing to work 110%, and his work ethics are beyond reproach. One HBPD Detective Sergeant wrote a commendation saying, "We have never had so many recoveries of stolen bicycles since we got Jay and Marlys (his partner) checking the description of found bicycles and comparing them to stolen ones. Many bicycles don't have their serial numbers for the reports so we started looking at the descriptions to look for possibilities. There are a lot of happy citizens because of Jay and Marlys. In addition, they are also very entertaining."

Yes, Jay is known to be a jokester, but he is respectful of others and knows when to be serious. He knows how to encourage others to want to do what is right. He lets people know it is OK to make a mistake, but it is important to learn from our mistakes so we don't repeat them. He never hesitates to ask questions of supervisors about duties he may be assigned as long as it means getting the job done right.

We are very fortunate to have Jay Waggoner as a member of our RSVP program. We cannot begin to thank him for all he has contributed. Jay is the ultimate TEAM player and it shows in all he does. He is a great ambassador for the Huntington Beach Police Department and we commend him for contributing 4000 plus hours to his community.

OneOC also recognized volunteers with 10, 15, or 20 plus years of service to their community. The following HBPD volunteers were also honored guests at the luncheon: Ralph Lanternier, Donald Bayhan, Stanley Helfman, Dolores (Dee) Zimmerman, Barbara Rainey, Jack Warnitz, Beverly Olander, Leon L. Heimkes, Florence Pach, Ruth Brisky, and Shirley Spiegel.

OneOC also recognized the person with Top Total Volunteer Hours in Orange County: Ken Katz of our RSVP team.
