OCTOBER DONATION UPDATE

The Huntington Beach Neighborhood Watch Program (HBNW) **fiscal year** is from July 1 to June 30 each year. We have estimated we will need approximately \$24,300 this year to cover the various HBNW program expenses which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, etc. From the start of our fiscal year to now, we have received **\$3,690.00 in donations and newsletter advertisements— we have \$20,610.00 to go by June 30, 2016.** The HBNW Board thanks you and our advertisers for your support and generous donations. An \$8 donation pays for each subscriber's distribution costs; a \$10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a \$25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; **donations are tax deductible.**

As a resident of the city, we encourage you to review the HBNW program budget and expenses.

We strongly suggest you sign up to receive your Newsletter either **electronically** or through the mail. The Newsletter has valuable crime prevention information and crime statistics. Donations are not necessary to receive the Newsletter, but if you wish to make a donation, please make your check payable to:

**Help Stop
Cyberbullying
Before it Starts**

October is National Bullying Prevention Month - the perfect time to help teens learn how to resolve conflicts before they escalate. We all know that what starts out as something small - a snide comment, a misunderstanding - can quickly turn into a much larger problem, especially when it happens online.

Share these tips with teens to help them learn how to manage their emotions, make responsible decisions, and avoid digital drama.

- **STEP AWAY TO CALM DOWN**
Pick an activity that makes you feel better like taking a walk, reading a book, or listening to music.
- **TALK THINGS OUT WITH A FRIEND**
Call, text, or get online with someone you trust. Choose a friend who will be supportive and calm you down.
- **PUT ON THE OTHER PERSON'S SHOES**
It can be hard to tell what people mean online. A comment you see as an insult may have been meant as a joke.
- **THINK ABOUT THE CONSEQUENCES**
Some teens have gotten detention, been suspended, and in a few cases even been arrested for things they said online.
- **ASK TRUSTED ADULTS FOR HELP**
They may be able to give you good advice about how to deal with your feelings and help you talk calmly with the other person.

Coyote and Other Wildlife Information

Many residents in Huntington Beach and all of Orange County experience occasional visits from local wildlife such as coyotes. Small pets can easily become coyote prey. Cats and small dogs should not be allowed outside alone, even in a fenced yard. It is highly recommended that their owner always accompany small pets. Though coyotes generally hunt between sunset and sunrise, they can be observed at all hours of the day and will not pass up the opportunity for an easy meal. A dog or cat left in a backyard can be taken in a matter of moments. Eradication and/or relocation of the urban coyote is not effective. Experts say these programs actually provide a vacuum in nature, causing these animals to have even larger litters, ultimately increasing the coyote population. You can help alleviate discourage wildlife activity in their neighborhoods.

- Keep pet food indoors and do not leave food of any kind outside at night. Food left out at night will attract rodents and be taken as a welcome invitation by wildlife and may prompt a future visit.
- Keep cats and small dogs indoors or in the close presence of an adult.
- Remove any fruit which has fallen to the ground.
- Store trash in covered, heavy-duty containers.
- Keep yards free from potential shelter such as thick brush and weeds, and enclose the bottoms of porches and decks.
- Eliminate garbage, debris, lumber piles, etc.
- Check fencing and try to eliminate access points to roof tops.
- Change automatic sprinkler settings regularly.

Taking these preventive measures should help in deterring wildlife from visiting your property. OC Animal Care will respond to situations regarding any wildlife that is sick, injured, dead, or has had physical contact with a human or domestic animal. For more information on the laws pertaining to urban wildlife and their protection visit the Department of Fish and Game's website at www.dfg.ca.gov. More specific information and links regarding coyotes is available at:
