Robert Handy, Chief of Police

Media Advisory

Prepared by: Sgt. S. Shepherd, Traffic Unit

Release Date/Time: 9/10/15 at 2:00 PM

Subject: Fatal Traffic Collision

Case Number: 2015-014762

Details:

On Thursday, September 10th, 2015, at about 4:40 AM, the Huntington Beach Police Department responded to the area of Pacific Coast Highway and Seapoint Street regarding a traffic collision involving a bicyclist and vehicle.

Arriving officers located an injured female in the roadway and a damaged bicycle nearby. Huntington Beach Fire Department paramedics responded to treat the female. The female, a 31 year old resident of Long Beach, was critically injured. She was transported to Anaheim Global Medical Center where she was admitted in critical condition and later succumbed to her injuries. Her name will not be released until next of kin can be notified.

Based on the preliminary investigation, it appears the bicyclist was crossing the southbound lanes of Pacific Coast Highway from a center median when she was struck by a motorist traveling southbound between Goldenwest Street and Seapoint Street.

The investigation is ongoing and is being conducted by the HBPD Major Incident Reconstruction Team (M.I.R.T). No citations have been issued and no arrests have been made at this time. Speed does not appear to be a factor in this collision.

Anyone with information about this collision is asked to contact Huntington Beach Police Accident Investigator Robert Barr at 714-536-5666 or Accident Investigator Josh Page at 714-536-5670. During non-business hours or on weekends, calls should be directed to 714-960-8825.
