On Saturday, January 10th, at about 11:00 PM, the Huntington Beach Police Department responded to the area of Beach Boulevard south of Talbert Avenue regarding an injury traffic collision involving a vehicle and a pedestrian.

Arriving officers located an unidentified female in the roadway. She had significant injuries and was unresponsive. Huntington Beach Fire Department paramedics responded and determined the female had passed away. At this point, the female has not been identified. She appears to be a Caucasian female in her mid 50's, approximately 5 feet 4 inches tall and weighing about 120 pounds.

The vehicle involved, a silver 1998 Dodge Durango, remained at the scene. The driver, a 53 year old male from Westminster, was interviewed and released at the scene.
