### **Details:**

On Monday, April 20<sup>th</sup>, at about 10:30 AM the Huntington Beach Police Department responded to the area of Warner Avenue and Sculpin Lane regarding a traffic collision involving a motorcycle and a passenger car.

Arriving officers located a red 2005 Honda 600RR motorcycle and a gray 2009 Toyota Venza car near the intersection. The motorcycle rider, a 27 year old male from Huntington Beach, was laying in the roadway and was critically injured. Huntington Beach Fire Department paramedics responded but the male had succumbed to his injuries at the scene. His name is being withheld until next of kin can be notified.

The driver of the Toyota car, an 80 year old female from Huntington Beach, was uninjured. She remained at the scene and was interviewed by investigating officers before being released.

Based on the preliminary investigation, it appears the Honda motorcycle was traveling at a high rate of speed westbound on Warner when it collided with the Toyota car which was exiting a driveway at 6771 Warner Avenue.

The investigation is ongoing and is being conducted by the HBPD Major Incident Reconstruction Team (M.I.R.T). No citations have been issued and no arrests have been made at this time.
