

The City of Huntington Beach Community Services Department believes in fostering the “Parks Make Life Better!™” promise, developed by the California Park and Recreation Society:

“Parks and recreation makes lives and communities better now and in the future by providing access to the serenity and inspiration of nature; outdoor space to play & exercise; facilities for self-directed & organized recreation; positive alternatives for youth which help lower crime & mischief and activities that facilitate social connections, human development, therapy, the arts, & lifelong learning.”
