

The rain has finally stopped, so it is time to get outside, move a little and have some fun!

I have always enjoyed the out-of-doors during the summer...but things like rain, work, and other factors can infringe on much needed free-time. Summer is a time to slow-down and to simplify! Instead of cooking dinner, plan to take a salad or sandwich basket to the park or shore... fly a kite, meet some friends and take a brisk walk. Fresh air, ocean breezes and thoughtful movement can do wonders for the body and spirit. Take a few minutes to browse the pages of the SANDS Community Services Guide. There are opportunities to enhance quality of life for those who live, work and play in the Huntington Beach community.
